**Re: D.M. o/b/o N.M. v. School District of the Chathams Board of Education
U.S.D.C. Docket No.: 2:20-CV-10165**

Dear Judge Vazquez:

Please be advised that this firm represents Respondent School District of the Chathams (“District”) in connection with the above-referenced matter. This matter is an Appeal of the Administrative Record of the Final Decision of the Honorable Susana E. Guerrero, Administrative Law Judge, Office of Administrative Law (“OAL”) in Newark dated July 21, 2020. In her ruling, Judge Guerrero found that the District appropriately declassified N.M. as N.M. no longer met the criteria for eligibility under the Individuals with Disabilities in Education Act (“IDEA”). Judge Guerrero found that N.M. was not entitled to an Individualized Education Plan and, thus, the District had, in fact, provided N.M. with a free appropriate public education (“FAPE”).

This appeal was filed on or about August 7, 2020. On or about November 27, 2020, the parties filed with the Court a Joint Discovery Plan wherein counsel advised the court that no additional discovery or motion practice would be required in this matter as it an of the administrative record. Further, the parties have participated in multiple settlement conferences with Magistrate Judge Mark Falk on February 3, 2021 and March 3, 2021, but are unable to agree to terms that would result in a settlement of this matter.
